

## 2-Tank Gulf Dive with Florida West Scuba

When: June 24, 2018

Where: Florida West Scuba - 509B Tamiami Trail North, Venice

Details: Show is 7:00am, air tanks and weights included, 2 dives in the 60' range. First on an artificial reef (lots of culverts and cement pipes and such), second on a natural reef. No guarantee of toadfish as these aren't the same reefs Blue Waters used to go to, BUT, I've done these dives and there's lots of stuff! It's your opportunity to get pictures of Florida Local stuff.

Cost: \$125 per person for 2-tank dive

Sign-up: As in the Calendar - May 25
