Boat is about 1/2 mile North of there.

This is a three tank drift dive, max of 70 feet

Lunch will be provided.

Advanced Divers Only ----- Nitrox is required.

- No white masks and no white fins, they say it is a distraction for the sharks.
- We want them to concentrate of the one feeding them and not us.

Cost is \$134 per diver

Nitrox tanks, 80's and 100's are available to rent.

Check out the charters website at www.emeraldcharters.com for further information. If you go to the Contact Us area, it will show a map and give the addresses of the check in and boat areas.
